

## On the Subject of Souvenir

*Something to remember your explosion by.*

Souvenir asks questions about the state of other modules that you solved prior. Answer all the questions correctly.

If a module reset itself upon a strike, the question about it is assumed to refer only to successful runs or stages.

[Question]

[Answer 1]

[Answer 3]

[Answer 2]

[Answer 4]

### Questions that may come up:

What were the flashes?

#### **1000 Words**

What were the words shown?

#### **100 Levels of Defusal**

What were the displayed letters?

#### **1D Chess**

What were your and Rustmate's moves?

#### **3D Maze**

What were the markings?  
What was the cardinal direction?

#### **3D Tap Code**

What was the received word?

#### **3D Tunnels**

What were the goal symbols?

#### **3 LEDs**

What was the initial state of the LEDs?

#### **7**

What were the LED colors for each stage?

What was each channel's initial value?

#### **9-Ball**

What were the numbers on each ball?

#### **Accumulation**

What were the background and border colors on each stage?

#### **Adventure Game**

Which correct items did you use?

Which enemy were you fighting?

#### **Affine Cycle**

What were the message and response?

#### **Alfa-Bravo**

What final letter was pressed?

What letters were to the left and right of the final one?

What was the last digit on the small display?

#### **Algebra**

What were the first two equations?

#### **Algorithmia**

What were the starting and goal positions?

What color was the bulb?

Which numbers were present in the seed?

#### **Alphabetical Ruling**

What were the letters and numbers displayed in each stage?

#### **Alphabet Tiles**

What were the letters shown during each cycle?

What was the missing letter?

#### **Alpha-Bits**

What characters were displayed on each screen?

#### **Ángel Hernández**

What letter was shown by the raised buttons in each stage?

#### **Arithmelogic**

What was the symbol on the submit button?

What were the numbers selectable on the screens?

#### **ASCII Maze**

What characters were displayed?

#### **A Square**

What were the index colors?

What were the submitted colors?

#### **Azure Button (The)**

What were T and the other displayed cards?

What was M?

What were the arrows?

#### **Bakery**

Which menu items were present?

#### **Bamboozled Again**

What were the text and color of each correct button?

What were the decrypted text and color of each displayed message?

#### **Bamboozling Button**

What color was the button in each stage?

What were the labels on the button in each stage?

What were the displays and their colors in each stage?

#### **Barcode Cipher**

What was the screen number?

What was the edgework

represented by each barcode?

What was the answer for each barcode?

#### **Bartending**

Which ingredient was in which position?

#### **Big Circle**

Which colors were in the solution?

#### **Binary**

What word was displayed?

#### **Binary LEDs**

At which numeric value did you cut the correct wire?

*continued on next page...*

**Binary Shift**

What were the initial numbers?  
What number was selected at each stage?

**Bitmaps**

How many pixels were black/white in each quadrant?

**Black Cipher**

What was on each screen?

**Blind Maze**

What colors were the buttons?  
Which maze did you solve the module on?

**Blockbusters**

What was the last letter pressed?

**Blue Arrows**

What were the letters on the screen?

**Blue Button (The)**

What were D, E, F, G, H, M, N, P, Q, and X?

**Blue Cipher**

What was on each screen?

**Bob Barks**

What were the indicator labels?  
Which buttons flashed in sequence?

**Boggle**

Which letters were initially visible?

**Boxing**

Which contestants and substitutes (first and last names) were shown?  
Who had which punch strength rating?

**Braille**

What was the solution word?

**Breakfast Egg**

Which colors appeared on the egg?

**Broken Buttons**

What were the correct buttons you pressed?

**Brown Cipher**

What was on each screen?

**Brush Strokes**

What was the color of the middle contact point?

**Bulb (The)**

What were the correct button presses?

**Burglar Alarm**

What were the displayed digits?

**Button (The)**

What color did the light glow?

**Button Sequence**

How many times did each color occur?

**Caesar Cycle**

What were the message and response?

**Calendar**

What was the color of the LED?

**Cartinese**

What lyrics were played by each button?

What color was each button?

**Challenge & Contact**

What were the submitted answers?

**Character Codes**

What were the characters?

**Cheap Checkout**

What were the paid amounts?

**Cheep Checkout**

Which birds were present?

**Chess**

What were the coordinates?

**Chinese Counting**

What colors were the LEDs?

**Chord Qualities**

What was the given chord quality?

What notes were in the given chord?

**Code (The)**

What was the displayed number?

**Codenames**

Which words were submitted?

**Coffeebucks**

What was the last served coffee?

**Coinage**

Which coin was flipped?

**Color Braille**

What was the mangling applied?  
What were the red, green, and blue words?

**Color Decoding**

What were the indicator patterns and colors in each stage?

**Colored Keys**

What was the displayed word and its color?

What were the colors and letters on each key?

**Colored Squares**

What was the first color group?

**Colored Switches**

What was the initial position of the switches?

What was the switches' position when the LEDs came on?

**Color Morse**

What were the colors of the LEDs?

What characters were flashed by the LEDs?

**Colors Maximization**

What was the submitted score?  
What colors were submitted?  
How many buttons were there of each color?

**Colour Flash**

What was the color of the last word in the sequence?

**Connection Check**

What number pairs were present?

**Coordinates**

What was the grid size?  
What was the solution you selected first?

**Coral Cipher**

What was on each screen?

**Corners**

What were the colors of the corners?

**Cornflower Cipher**

What was on each screen?

**Cosmic**

What was the number initially shown?

**Cream Cipher**

What was on each screen?

**Creation**

What were the weather conditions on each day?

**Crimson Cipher**

What was on each screen?

**Critters**

What was the alteration color?

*continued on next page...*

**Cryptic Cycle**

What were the message and response?

**Cryptic Keypad**

What were the labels and cardinal directions of each key?

**Cube (The)**

What were the cube rotations?

**Cyan Button (The)**

Where was the button at each stage?

**DACH Maze**

Which region did you depart from?

**Deaf Alley**

What was the shape generated?

**Deck of Many Things (The)**

What deck did the first card belong to?

**Decolored Squares**

What were the colors defining the starting row and column?

**Decolour Flash**

What were the words and colours of each goal?

**Devilish Eggs**

What were the rotations?  
What were the numbers and letters shown on the prism?

**Digisibility**

What were the numbers on the buttons?

**Discolored Squares**

What was the remembered position for each color?

**Divisible Numbers**

What were the correct button presses?  
What were the numbers in each stage?

**Double Arrows**

What was the starting position?  
Which buttons moved in which directions in the grid?

**Double Color**

What was the screen color in each stage?

**Double Digits**

What were the most recent numbers on the displays?

**Double-Oh**

Which button was the submit button?

**Dr. Doctor**

Which diseases and symptoms were listed?

**Dreamcipher**

What was the decrypted word?

**Dumb Waiters**

Which players were present?

**eeB gnillepS**

What word was asked to be spelled?

**Eight**

What was the last digit on the small display?

What was the position of the last broken digit?

What were the last resulting digits?

What was the last displayed number?

**Elder Futhark**

What were the runes shown?

**ENA Cipher**

What were the keyword, the transposition key and the encrypted word?

**Encrypted Equations**

What were the main shapes of the three operands?

**Encrypted Hangman**

What was the encrypted module name and encryption method?

**Encrypted Maze**

Which symbol was spinning which way?

**Encrypted Morse**

What were the received call and sent response?

**Encryption Bingo**

What was the first encoding used?

**Enigma Cycle**

What were the message and response?

**Entry Number Four**

What were the numbers shown, the expected fourth entry and the constant coefficient?

**Entry Number One**

What were the numbers shown, the expected first entry and the constant coefficient?

**Equations X**

What was the displayed symbol?

**Etterna**

What beat was the input for each arrow?

**Exoplanets**

What were the starting and final target planet and digit?

**Factoring Maze**

What were the prime numbers used?

**Factory Maze**

What room did you start in?

**Fast Math**

What was the last pair of letters?

**Faulty RGB Maze**

Where were the exit and keys of the maze?

What was the maze number for each maze?

**Flags**

What were the country flags, the main flag, and the displayed number?

**Flashing Arrows**

What was the number shown on the display?

What were the relevant arrow's colors?

**Flashing Lights**

How many times did each LED flash each color?

**Flyswatting**

Which flies were present, but not in the solution?

**Forest Cipher**

What was on each screen?

**Forget Any Color**

What colors were the cylinders in the first 5 stages?

Which figure was used for the first 5 stages?

**Forget Me**

What numbers were in which positions in the initial puzzle?

**Forget's Ultimate Showdown**

What was the initial number?

What was the bottom number?

What was the answer?

What were the encryption methods used?

*continued on next page...*

**Forget The Colors**

What was the large display and gear and the sine number's last digit in Stage 0?

Which edgework-based rule was applied in Stage 0?

**Free Parking**

What was the player token?

**Functions**

What was the last digit of the first query result?

What were the numbers and letter shown at the bottom?

**Game Of Life Cruel**

Which color combinations occurred?

**Gamepad (The)**

What were the numbers?

**Glitched Button (The)**

What was the cycling bit sequence?

**Gray Button (The)**

What were the coordinates on the display?

**Gray Cipher**

What was on each screen?

**Great Void (The)**

What were the digits and colors?

**Green Arrows**

What was the last number on the display?

**Green Button (The)**

What was the submitted word?

**Green Cipher**

What was on each screen?

**Gridlock**

What was the starting color?

What were the starting and ending location?

**Grocery Store**

What was the first item shown?

**Gryphons**

What were the gryphon's name and age?

**Guess Who?**

Who was the person recalled?

**Hereditary Base Notation**

What was the number on the bottom display?

**Hexabutton (The)**

What label was printed on the button?

**Hexamaze**

What was the color of the pawn?

**hexOS**

What were the deciphered letters or phrase?

What were the 3-digit numbers cycled by the screen?

What were the rhythm values?

**Hidden Colors**

What was the main LED's color?

**Hill Cycle**

What were the message and response?

**Hogwarts**

Which House was each module solved for?

**Hold Ups**

What was the name of each shadow shown?

**Homophones**

What were the displayed phrases?

**Horrible Memory**

What were the positions, labels, and colors of the buttons pressed in each stage?

**Human Resources**

Which employees were hired and fired?

Which descriptors were shown in red and green?

**Hunting**

Which stages had the column or row symbol first?

**Hypercube (The)**

What were the rotations?

**Hyperlink (The)**

What was the hyperlink?

Which module was referenced?

**Ice Cream**

Who were the customers?

Which flavors were on offer to each customer?

**Identification Crisis**

What were the shapes and identification modules used?

**Identity Parade**

What were the hair colors, builds and attires listed on the module?

**Indigo Cipher**

What was on each screen?

**Infinite Loop**

What was the selected word?

**Ingredients**

Which ingredients were listed and which were used?

**Inner Connections**

What color was the LED?

What was the digit flashed in Morse?

**Interpunct**

What was the symbol displayed in each stage?

**IPA**

What was the correct symbol?

**iPhone (The)**

What was the PIN?

**Jenga**

What symbols were on the first correctly pulled block?

**Jewel Vault (The)**

What number were wheels A-D?

**Jumble Cycle**

What were the message and response?

**Kanye Encounter (The)**

What food items were displayed?

**Keypad Magnified**

What was the position of the LED?

**Kudosudoku**

Which squares were initially pre-filled?

**Labyrinth (The)**

Where were the portals, and which layers were they on?

**Ladders**

Which colors were present on the second ladder?

What color was missing on the third ladder?

**Lasers**

What number was on each hatch?

**LED Encryption**

What were the correct button presses?

**LED Math**

What were the LED colors?

**LEDs**

What was the initial color of the changed LED?

*continued on next page...*

**LEGOs**

What were the dimensions of each color piece?

**Letter Math**

What were the letters on the display?

**Linq**

What were the functions?

**Lion's Share**

Which year was displayed?

Which lions were present but removed?

**Listening**

What was the correct code you entered?

**Logical Buttons**

What were the colors and labels of each button in each stage?

What were the final operators in each stage?

**Logic Gates**

What were the logic gates?

**Lombax Cubes**

What were the letters on the button?

**London****Underground (The)**

What were the departure and destination stations?

**Mafia**

Who was a player, but not the Godfather?

**Magenta Cipher**

What was on each screen?

**Mahjong**

What were the first two matched pairs?

What was the bottom-left tile?

**Maritime Flags**

What bearing was signaled?

What callsign was signaled?

**Maroon Cipher**

What was on each screen?

**Mashematics**

What were the numbers in the equation?

What was the answer?

**Math 'em**

What were the color and design of each tile before the shuffle?

**Matrix (The)**

Which word was part of the latest access code?

What was the glitched word?

**Maze**

What was the starting position?

**Maze<sup>3</sup>**

What was the color of the starting face?

**Maze Identification**

What was the seed?

What function did each button have?

**Mazematics**

What were the initial and goal values?

**Maze Scrambler**

What was the starting position?

What was the goal position?

Which positions were the maze markings?

**Mazeseeker**

How many walls surrounded each cell?

What were the starting and goal positions?

**Mega Man 2**

What were the robot master and weapon shown?

**Melody Sequencer**

Which part was in which slot at the start?

**Memorable Buttons**

What were the symbols on the correct buttons?

**Memory**

What was the display in each stage?

What were the positions and labels of the buttons you pressed?

**Metamorse**

What was the extracted letter?

**Microcontroller**

In which order did the LEDs light up?

**Minesweeper**

What was the color of the starting cell?

**Mirror**

What was the second word written by the original ghost?

**Mister Softee**

Where was the SpongeBob Bar?

Which treats were present?

**M&Ms**

What were the labels on the buttons and their colors?

**M&Ns**

What were the colors of the labels on the buttons?

What was the label of the correct button?

**Modern Cipher**

What were the decrypted words?

**Module Listening**

Which module did the sound played by each button belong to?

**Module Maze**

What was the starting icon?

**Monsplode, Fight!**

Which creature was displayed?

Which moves were selectable?

**Monsplode Trading Cards**

What were the names and print versions of the three cards in your hand and the card on offer before the final trade/keep?

**Moon (The)**

Which sets were initially lit/unlit?

**More Code**

What was the flashing word?

**Morse-A-Maze**

What were the starting and ending location?

What was the morse code word played?

**Morse Buttons**

What were the characters and colors flashed by each button?

**Morsematics**

What were the received letters?

**Morse War**

What were the LEDs?

What code was transmitted?

**Mouse in the Maze**

What color was the torus?

Which color sphere was the goal?

**M-Seq**

What were the obtained digits?

What was the final number from the iteration process?

**Multicolored Switches**

What were the colors of the LEDs in both cycles?

**Murder**

Which were the suspects and weapons?

Where was the body found?

**Mystery Module**

Which module was hidden?

Which module was the first requested to be solved?

**Mystic Square**

What was the position of the skull?

**Name Codes**

What were the left and right indices?

**Navinums**

Which directional buttons were pressed?

What was the initial middle digit?

**Navy Button (The)**

Which Greek letters appeared?

What were the coordinates and value of the given?

**Necronomicon (The)**

What was the chapter number of each page?

**Negativity**

What was the submitted value (in base 10 and in balanced ternary)?

**Neutralization**

What was the acid's color/volume?

**N&Ms**

What was the label of the correct button?

**Not Colored Switches**

What was the encrypted word?

**Not Connection Check**

What were the flashing symbols?

What were the button values?

**Not Coordinates**

What were the vertices of the square?

**Not Keypad**

Which colours flashed in the final sequence?

Which symbols were on the buttons that flashed in the final sequence?

**Not Maze**

What was the starting distance?

**Not Morse Code**

What was the sequence of words you submitted?

**Not Morsematics**

What was the transmitted word?

**Not Murder**

What room were the suspects in initially?

What weapons did the suspects possess initially?

**Not Number Pad**

Which numbers flashed at each stage?

**Not Perspective Pegs**

What were the positions, perspectives, and colors of each flash?

**Not Piano Keys**

What were the displayed symbols?

**Not Simaze**

Which maze was used?

What were the starting and goal positions?

**Not Text Field**

Which letter appeared 9 times at the start?

Which letters were pressed in the first stage?

**Not The Bulb**

What was the transmitted word?

**Not the Button**

What color did the light glow?

**Not The Screw**

What was the initial position?

**Not Who's on First**

What were the positions and labels of the correct buttons you pressed and the reference buttons?

What was the calculated number in the second stage?

**Not Word Search**

Which consonants were missing?

What was the first correctly pressed letter?

**Not X01**

What were the sector values?

**Not X-Ray**

What table were we in?

Which button went which direction?

What was the scanner color?

**Numbered Buttons**

Which numbers were correctly pressed?

**Numbers**

What two-digit number was given?

**Numpath**

What was the number and its color?

**Object Shows**

What contestants were shown?

**Octadecayotton (The)**

What was the starting sphere? What were the subrotations in each rotation?

**Odd One Out**

What were the correct button presses?

**Only Connect**

What were the positions of the Egyptian hieroglyphs?

**Orange Arrows**

What were the first three arrows on the display in each stage?

**Orange Cipher**

What was on each screen?

**Ordered Keys**

What were the labels, their colors, and the colors of the keys in each stage?

**Order Picking**

What were the order ID, product ID and pallet for each order?

**Orientation Cube**

What was the observer's initial position?

**Palindromes**

What number was X, Y, Z, and the screen display?

**Parity**

What was shown on the display?

**Partial Derivatives**

What were the terms of the function?

What were the LED colors in each stage?

**Passport Control**

What were the passport expiration years of each passenger?

**Password Destroyer**

What were the starting value, increase factor, TFA<sub>1</sub>, TFA<sub>2</sub> and 2FAST™ values, and the percentage of solved modules used in the final calculation?

**Pattern Cube**

Which symbol was highlighted?

**Perspective Pegs**

What was the initial color sequence?

**Phosphorescence**

What were the button presses and the offset?

**Pie**

What were the digits shown?

**Pigpen Cycle**

What were the message and response?

**Pink Button (The)**

What were the displayed words and their colors?

**Pixel Cipher**

What was the keyword?

**Placeholder Talk**

What was the entire first phrase?

What was the calculated value for second phrase?

**Placement Roulette**

What were the character, drift type, track, track type, vehicle, and vehicle type listed?

**Planets**

What was the planet shown?

What was the correct color for each strip?

**Playfair Cycle**

What were the message and response?

**Poetry**

What were the answers you pressed in each stage?

**Polyhedral Maze**

What was the starting position?

**Prime Encryption**

What was the displayed number?

**Probing**

What were the missing frequencies in each wire?

**Purple Arrows**

What was the target word?

**Purple Button (The)**

What were the numbers in the cyclic sequence?

**Puzzle Identification**

What game did each puzzle come from?

What was the name and number of each puzzle?

**Quaver**

What was each sequence's answer?

**Quintuples**

What were the numbers and colors in every slot?

How many numbers were there of each color?

**Railway Cargo Loading**

What were the coupled cars?

Which freight table rules applied?

**Rainbow Arrows**

What was the displayed number?

**Recolored Switches**

What were the LED colors?

**Red Arrows**

What was the starting number?

**Red Cipher**

What was on each screen?

**Red Herring**

What was the first color flashed?

**Reformed Role Reversal**

What did the solving condition state?

What were the final wires?

**Regular Crazy Talk**

What was the displayed digit that corresponded to the solution phrase?

What was the embellishment of the solution phrase?

**Retirement**

Which houses were on offer, but not chosen by Bob?

**Reverse Morse**

What were the characters in each message?

**Reverse Polish Notation**

What characters were used in each round?

**RGB Maze**

Where were the exit and keys of the maze?

What was the maze number for each maze?

**Rhythms**

What was the color?

**Robo-Scanner**

Where was the empty cell?

**Roger**

What four-digit number was given?

**Role Reversal**

What was the condition digit that solved the module?

What colors were the internal wires?

**Rule (The)**

What was the rule number?

**Rule of Three**

What were the positions of each sphere on each axis in each cycle?

What were the coordinates of the vertices?

**Samsung (The)**

Where was each app?

**Scavenger Hunt**

Which tile was correctly submitted in the first stage?

Where were the red, green, and blue tiles in the first stage?

**Schlag den Bomb**

What were the contestant's name and both scores?

**Scramboozled Eggain**

What were the encrypted words?

**Sea Shells**

What were the phrases?

**Semamorse**

What were Morse and semaphore letters and color used for the starting value?

**Sequencyclopedia (The)**

What sequence was used?

**Shapes And Bombs**

What was the initial letter?

**Shape Shift**

What was the initial shape?

**Shifted Maze**

What were the colors of the markers?

**Shifting Maze**

What was the seed?

**Shogi Identification**

What was the displayed piece?

**Silly Slots**

What were the slots in each stage?

**Silo Authorization**

What were the message type, encrypted message, and received authorization code?

**Simon Said**

What was the final sequence of presses?

**Simon Samples**

What were the call samples in each stage?

**Simon Says**

Which colors flashed in the final sequence?

**Simon Scrambles**

What was the flashing color sequence?

**Simon Screams**

What flashing color was used in each stage?

Which rules applied in which stage(s)?

**Simon Selects**

Which colors flashed in each stage?

**Simon Sends**

What were the red, green, and blue received letters?

**Simon Shapes**

What was the shape submitted at the end?

**Simon Shouts**

What letters flashed on each button?

**Simon Shrieks**

How many spaces clockwise from the arrow was each flash in the final sequence?

**Simon Simons**

Which buttons flashed in each stage?

**Simon Sings**

Which keys' colors flashed in each stage?

**Simon Sounds**

Which sample buttons sounded in each stage?

**Simon Speaks**

What were the relevant attributes of the flashing bubbles?

**Simon's Star**

Which colors flashed in each stage?

**Simon Stages**

Which colors flashed in each stage?

What color was the indicator in each stage?

**Simon States**

Which color(s) flashed in the first three stages?

**Simon Stops**

Which colors flashed in the output sequence?

**Simon Stores**

Which colors flashed in the final sequence?

What were the numerical answers in each stage?

**Simon Subdivides**

What colors were the cells that subdivided?

**Simon Supports**

What were the 3 topics?

**Skewed Slots**

What were the original numbers?

**Skyrim**

Which races, weapons, enemies, cities, and dragon shouts were selectable, but not the solution?

**Slow Math**

What was the last triplet of letters?

**Small Circle**

How much did the sequence shift by?

Which wedge made the different noise in the beginning?

Which colors were in the solution?

**Snooker**

How many reds were there initially?

**Sonic The Hedgehog**

Which sound was played by each screen?

What were the pictures?

**Sorting**

Which positions were involved in the final swap?

**Souvenir**

What was the first module the other Souvenir asked a question about?

**Space Traders**

What was the maximum tax amount per vessel?

**Spelling Bee**

What word was asked to be spelled?

**Sphere (The)**

What were the flashed colors?

**Splitting The Loot**

Which bag was initially colored?

**Stability**

What were the lit LEDs' colors?  
What was the identification number?

**Stacked Sequences**

What were the lengths of the sequences?

**Stars**

What was the digit in the center?

**State of Aggregation**

What element was shown?

**Stellar**

What were the letters?

**Stupid Slots**

What were the values of each arrow?

**Subscribe to Pewdiepie**

How many subscribers do Pewdiepie and T-Series have?

**Sugar Skulls**

What skulls were shown?

**Superparsing**

What was the displayed word?

**Switch (The)**

What color were the LEDs?

**Switches**

What was the initial position of the switches?

**Switching Maze**

What was the seed?  
What was the starting maze color?

**Symbol Cycle**

How many symbols were cycling on each screen?

**Symbolic Coordinates**

Which symbols were present on each stage?

**Symbolic Tasha**

What symbols were on the buttons?  
Which buttons flashed?

**SYNC-125 [3]**

What was displayed on the screen in each stage?

**Synonyms**

Which number was displayed?

**Sysadmin**

What error code did you fix?

**Tap Code**

What was the received word?

**Tasha Squeals**

What were the flashed colors?

**Tasque Managing**

What was the starting position?

**Ten-Button Color Code**

What were the buttons' initial colors in each stage?

**Tenpins**

What were the splits?

**Text Field**

What was the displayed letter?

**Thinking Wires**

Which was the first wire needing to be cut?

What color was the second valid wire to cut?

What was the display number?

**Third Base**

What were the display words?

**Tic Tac Toe**

What was the initial state of the field?

**Timezone**

What were the departure and destination city?

**Topsy Turvy**

What was the word initially shown?

**Touch Transmission**

What was the transmitted word?  
In what order was the Braille read?

**Trajectory**

What functions did each button perform?

**Transmitted Morse**

What were the received messages?

**Triple Term**

What were the passwords?

**Turtle Robot**

What were the commented out code lines?

**Two Bits**

What were the correct three query responses?

**Ultimate Cipher**

What was on each screen?

**Ultimate Cycle**

What were the message and response?

**Ultracube (The)**

What were the rotations?

**UltraStores**

What were the rotations?

**Uncolored Squares**

What were the colors used in the first stage?

**Uncolored Switches**

What was the initial switch state?

What were the LED colors?

**Unfair Cipher**

What were the received instructions?

**Unfair's Revenge**

What were the decrypted instructions?

**Unicode**

What were the submitted codes?

**Unown Cipher**

What were the submitted letters?

**USA Cycle**

Which states were displayed?

**USA Maze**

Which state did you depart from?

**V**

Which words were shown?

**Varicolored Squares**

What was the initially pressed color?

**Varicolour Flash**

What were the words and colours of each goal?
